SUPERCool®
AN ISO-9001 CERTIFIED COMPANY

HOME APPLIANCES

• FANS • COOLERS • PEDESTAL FAN • APPLIANCES

ABOUT US

Our organization is widely engaged in manufacturing and trading of a unique range of Home appliances that are manufactured by extreme grade of raw material which is sourced from our reliable & Quality-driven vendors for high durability. We supply these Home appliances in various markets of Uttar Pradesh. Our main focus is to be a leading appliance producer throughout the India.

Our large Infrastructure is completely equipped with units of manufacturing and trading. Our team of quality analysis and marketing work under our expert and professional Mentor Mr.Rakesh Goyal, who is dedicated towards delivering value to our valuable clients.

Now Supercool is diversifying even further Fans, Exhaust Fans, Pedestal Fans, Coolers and other home appliances have been added to Supercool portfolio.

Good quality, great performance and novelty in design are some of the assured features of any product from Supercool.
